

SUBJECT: Did you see this?

Hey [name]

The other day/week/month, I remember you mentioning to me that you needed some help with **[state their goal. Ex-rapidly fixing your credit and raising your credit scores]**, and when I saw this I immediately thought of you.

If you're really serious about **[state their goal. Ex-rapidly fixing your credit and raising your credit scores]** (which is the vibe I was getting) then this is the ideal first step. Not only does it work, at only [insert price] it's the tiniest investment you can make and still have a realistic expectation of results you're looking for.

Check it out and get started.

SUBJECT: Wow, this actually works

Hey [name]

Do you want a sure-fire way to **say goodbye to low credit scores**, and finally get in the driver's seat to your dreams of better credit so you can [state their goals)?

I ran across this program that I'm certain can help you [state their goals] twice as fast without pulling your hair out.

Not only is it a top-notch resource, my friend Jeri raised her credit scores from a 545 to 765 in 8 months using it too!

If you're wanting to do the same, I would highly encourage you to check it out:

I heard you were looking for a program so you can **finally** start rapidly repairing and rebuilding your credit scores...

If so, you're really gonna enjoy **THIS**.

Other people just like you have used it, and here's some of the feedback I've gotten.

"Words can't express my gratitude for Flyy Credit Solutions. The experience has truly been life changing. Not only did they get me on the right path, I reached the 700 club! In addition, I also was able to start my new business and purchase ample equipment. Thank you, thank you, thank you!"
